Re. The Special Weekly Season report.

Special Weekly Season Report for the week ending Saturday the 19th January 1 9 2 4.

Parts newly affected during the week were one village in the Chicknaikanahalli Taluk, 187 villages in Srinivasapur Taluk and a few villages of Sante Bachahalli Hobli in Krishnarajapet Taluk. The Deputy Commissioner of Chitaldurg District reports that from the impressions formed as a result of his personal inspection the seasonal conditions of ~~the~~ a few villages of the Malkalmuru, Jagalur and Hiriyur Taluks cannot be said to be bad while the conditions in the remaining Taluks of the District may be said to be quite fair.

2. Number of villages inspected.- The number of affected villages and of works inspected during the week by the Amildars and the Sheikdars were as follows.-

District.	No. of villages inspected by		No. of works inspected by Amildars.
	Amildars	Sheikdars.	
Tumkur ...	117	502	13
Kolar ...	141	315	42
Bangalore ...	40	215	...
Mysore	15	32	...

3. Rainfall and state of Agricultural operations.- There was no rainfall in any part of the State during the week. Ragi, paddy and jola are being sown with the aid of irrigation wells in parts of Sira and Pavagada Taluks and Koratigere Sub Taluk in the Tumkur District. Sugar cane milling is going on in all the Taluks of the Kolar District and dry crops and paddy are being harvested in the Mulbagal and some other Taluks of the District. Harvesting of ragi, sugar-cane and avare is reported to be going on in parts of the Nelamangala and Devanahalli Taluks in the Bangalore District.

4. Relief works and labour.- Details regarding the works in progress in the various Districts are given in the following statement.-

5. Prices of food stuffs.- The prices of food stuffs continued to be almost thesame as during the previous week in all the Districts. The price of ragi ranged from 7 to 8 seers per rupee in the Tumkur, Kolar, Bangalore and Mysore Districts and 7½ to 10 seers per rupee in the Chitaldrug District while that of rice ranged from 4 to 5 seers per rupee in almost all the Districts except in Bangalore where it ranged from 4 to 4½ seers per rupee Supplies of principal food grains are reported to be adequate. There was an export of 66 bags of ragi from Chintamani to Hindupur, 51 bags of Black gram from Chitaldrug to Coimbatore and 25 bags of avare from Kolar to Erode, during the week.

6. Fodder and cattle.- The Deputy Commissioner of Kolar District reports that cattle in the District though healthy are losing condition and in some Taluks they are sold for what they fetch owing to the difficulty experienced in feeding them. About 900 cattle from Gubbi Taluk and 100 from Nagamangala Taluk are reported to be grazing in Hunsur Taluk. There have been no deaths among cattle on acount of scarcity of fodder. Doddaroga is prevalent in parts of Hunsur Taluk in the Mysore District and Moodigere Taluk in the Kadur District; and somecther cattle diseases in parts of Mysore and Seringapatam Taluks of Mysore District and Hoskote Taluk in Bangalore District.

7. Supply of Drinking Water for men and cattle.- In the Tumkur District, drinking water for men is available with some difficulty in almost every village in the District but the difficulty experienced is for cattle which are at present provided with water drawn from wells. In the Bangalore District, drirking water is said to be available with difficulty in almost every village in the District. In the Mysore District, water is said to be available for men and cattle in all parts of the District except Nagamangala, Mandya, Krishnarajapet, T. Narasipur and Mysore Taluks where scarcity for water is felt to some extent. Arrangements are being made to sink temporary wells wherever there is scarcity for water.

8. Loans.- Details regarding the amount of takavi and Land Improvement loans are given below:-

District.	Amount of loan granted	
	Up to the end of the week.	During the week.
Tumkur	32,567	4,072
Kolar	27,337	1,398
Bangalore	3,356	115
Chitaldrug.	2,175	...
Mysore	575	...

9. State of crime, people wandering in search of work etc.;- No abnormal rise in crime is reported from any part of the State during the week except in Bangalore District where some thefts are reported to have been committed in Anekal on account of seasonal conditions. 20 to 28 families are reported to have come to the channel area in the Hiriyur Taluk from Maddagiri, Pavagada, Madakasira and Bellary Taluks in search of labour. The Amildar of Davanagere reports that 500 persons have come from Bellary to Davanagere town with their cattle in search of employment. No deaths from starvation are reported nor cases of emaciation from any part of the State.

10. Gratuitous relief.- gratuitous relief was given during the week to 233 persons in the Tumkur District, 49 persons in the Kolar District and 2 persons in the Bangalore District.

11. Public health.- Public health is generally good except for the prevalence of plague in almost all the parts of the State, Small pox in Koratigere Sub Taluk, Cholera in Mulbagal Taluk, relapsing fever in Gudibanda Sub Taluk and Chitaldrug and Holalkere Taluks and Influenza and small pox in parts of Hunsur Taluk. Necessary precautionary measures are being adopted to prevent the spread of the epidemics.

12. General.-The Deputy Commissioner, Kolar reports that the ryots find it difficult to grow fodder crops in tank beds even with the aid of Kapiles as the beds have caked and it is very difficult to plowgh them. It is expected that the arrangements recently ordered by Government for the supply of paddy straw xuppxs will be availed of by cattle owners to a large extent and serve to mitigate the hardships experienced in the maidan tracts on account of the existing scarcity for fodder.

Revenue Commissioner.
